Mr. James Markle, President
Wastex Research, Inc.
2000 Broadway
East St. Louis, Illinois 62207

Dear Mr. Markle:

This will confirm for the record that, during its regular meeting held on Wednesday, March 11, 1981, at which a quorum was present, the Board of this Port District approved a plan whereby so much of the former Obeart-Nester Glass Plant as is located south of Broadway (except Warehouses 1 and 5) will be forthwith sold and conveyed to Wastex.

Our General Counsel hopes to be in a position to close the transaction and to record the Deed from the Port District to Wastex on Monday, March 16, 1981.

You may exhibit this letter to the Illinois Environmental Protection Agency or the Illinois Attorney General, or both, to evidence the fact that, after such deed is recorded, it will not be necessary for the Port District, as the owner of the real estate, to join in any of Wastex's existing permits or any of its future applications for permits.

Yours very truly,

A handwritten signature in cursive script that reads "Delmar E. Valine".

Delmar E. Valine, Sr.
President

Southwest Regional Port District
